ADVANTAGE™ LUXURY HARDWOOD FLOORING

LUXURY HARDWOOD FLOORING™ (LHF™)

Luxury Hardwood Flooring™ (LHF™) is made from real, natural hardwood—sourced sustainably from managed forests and free of synthetic fillers or plastics. It's a floor you can feel good about in every sense. Plus, natural hardwood flooring is the only flooring option that has consistently and traditionally increased a home's value.

Explore Luxury Hardwood Flooring

European White Oak Engineered Flooring
7" Prefinished Character

SOLID FLOORING *The True Premium Standard*

- Solid flooring...
- Adds value to your home
 - Is available in a wide variety of prefinished & unfinished options
 - Adds additional structural strength to your floors
 - Can be refinished many times
 - Offers a unique solid plank construction

ENGINEERED FLOORING *The Versatile Flooring Option*

- Engineered flooring...
- Allows for wide and long formats
 - Is an excellent use of premium wood resources
 - Offers a stable platform in climates with wide swings in seasonal humidity (such as basements)
 - Can be installed on grade, above grade, and below grade
 - Offers a solid hardwood wear layer

VERSATILE BRAZILIAN OAK OPTIONS

Brazilian Oak is a versatile flooring species that offers a wide range of custom stain options, providing an expanded selection of beautiful color offerings to suit virtually any design style. From the light, neutral tones of "South Beach", to the rich brown hues of "Monaco", to the soft muted grays of "Dove Gray", Brazilian Oak delivers exceptional flexibility. For those who prefer a timeless aesthetic, Natural Brazilian Oak captures the classic look of Traditional and European White Oak — without the high cost or limited availability. Unlike White Oak, which often contains knots and natural defects, Brazilian Oak offers a cleaner, more consistent appearance while still delivering the sought-after natural oak character.

ADVANTAGE CEILING + WALL

ADVANTAGE CEILING + WALL™ (ACW™)

We offer a wide range of easy-to-install, V-groove tongue-and-groove prefinished ceiling and wall coverings in premium species like Teak, Pecky Bolivian Walnut, and more. Choose from shiplap profiles, face-fastened rough-sawn boards for a rustic look, or S4S lumber for a smoother, more refined appearance. We also custom mill any width, making it easy to achieve everything from a modern narrow slat wall to a wide-plank rough-sawn statement wall.

LIVE-EDGE WOOD SLABS

We are one of the largest producers of live-edge slabs. Our slabs are kiln-dried to provide maximum stability and to eradicate any insects. We cut over 100 species of hardwoods including Indian Rosewood, Walnut, Camphor, Tigerwood, Brazilian Cherry, Persimmon, and many other hard-to-find lumber types. We offer surfacing, sanding, epoxy filling of voids, spray-finishing, book-matching, and gluing services, and we ship directly to you. Our slabs are often used for kitchen tables, bar tops, end tables, coffee tables, shelves, doors, wall art, benches, and many other woodworking projects.

PREMIUM INTERIOR ACCESSORIES & SUPPLIES

At AdvantageLumber.com®, we know the difference is in the details — that's why our Interior Accessories collection brings you the best tools and finishes to complete every interior wood-working and finishing project with confidence.

ADHESIVES — Designed to Provide Strong, Long-Lasting Bonds for Hardwood and Specialty Building Applications.

GORILLA GLUE
Gorilla Glue® is a tough, all-purpose adhesive that creates a strong, durable bond. Its waterproof formula expands as it cures, making it ideal for indoor and outdoor projects.

STARBOND
Starbond adhesives are freshly made in small batches and backed by a 23+ month shelf life guarantee. Each box includes precision microtips, a declogger pin, and an extra nozzle for added control.

TITEBOND
From professionals to weekend DIYers, Titebond delivers trusted performance and reliability. Backed by expert support, Titebond helps users at every skill level complete projects with confidence and precision.

FINISHES — Finish Your Project Right

ODIE'S OIL
Odie's is made with premium natural oils and waxes designed by nature to withstand the elements. It bonds within the surface—rather than sitting on top—to help prevent peeling, flaking, chipping and cracking.

RUBIO MONOCOAT
Rubio Monocoat offers a durable, easy-to-use hardwax oil wood stain and finish in just one coat. With 0% VOC, it delivers a strong, matte finish while preserving the wood's natural look and feel.

GENERAL FINISHES
Professional-grade, water-based and oil-based wood finishing products, along with high-performance waterborne coatings, are designed to enhance and protect the natural beauty of wood. These finishes deliver long-lasting durability, rich color depth, and reliable protection.

WISEBOND® EPOXIES & WOOD FINISHES — High-Performance Epoxies, Sealers and Finishes for Strong, Lasting Results

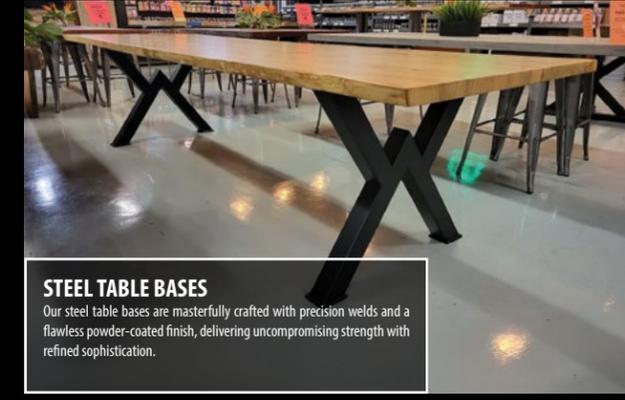

WiseBond®

WiseBond® proudly manufactures premium, Made in the USA epoxy systems, including 2" Deep Pour Epoxy for river tables and Table Top Epoxy for flood coating countertops, bars, tabletops, and live-edge slabs. We also offer epoxy mica powders, alcohol inks, opaque dyes, and all the essential tools and accessories needed to complete your project.

WiseBond® Oil No. 9
WiseBond® Oil No. 9 Wood Wax and Polish delivers a premium, citrus-scented wood conditioner and sealer that is non-toxic and food safe. Made from food-grade waxes and oils, it protects and enhances all wood surfaces—finished or unfinished—including cutting boards, tables, and furniture, while providing superior water resistance.

TABLE LEGS & ACCESSORIES — Complete Your Table Project Quickly & Easily

STEEL TABLE BASES
Our steel table bases are masterfully crafted with precision welds and a flawless powder-coated finish, delivering uncompromising strength with refined sophistication.

HAIRPIN LEGS
Complete your wood slab project with these hairpin legs. These legs are modern, minimalistic and more than sturdy enough to hold the weight of our largest wood slabs, all without drawing the attention away from the natural beauty of the wood slab.

RAMPA WOOD INSERTS & SCREWS
The RAMPA® M6 SKD330 style insert is favored by the live-edge wood slab woodworking community as it is the easiest insert to use and provides perfectly straight installation every time while providing optimum holding (will not break or tear out).
